FINAL INSPECTION DEPOSIT AGREEMENT

This agreement must be signed prior to the issuance of a pool permit. It is the responsibility of those signing the agreement to request all inspections when the conditions are corrected or complete within the time specified. The required deposit will be refunded. In the event the conditions are not corrected/completed within the time specified, or if the pool is used without approval, the deposit will not be refunded. Forfeiture of the deposit does not constitute authority to violate or to set aside any provisions of the adopted codes or ordinance of Rutherford County. The Permit holder may be cited to General Sessions Court for failure to comply with these provisions.

It is the responsibility of those signing the agreement to request an inspection when conditions are corrected or completed within the time specified. A final inspection is still required.
