March 20, 2020

Governor Lee's Executive Order No. 15, issued March 19, 2020 to facilitate the containment of COVID-19, suspends two sets of statutes pertaining to county clerks.

**VEHICLE REGISTRATION EXPIRATIONS EXTENDED:**

The provisions of T.C.A. § 55-4-104(a)-(d) are suspended to delay the expiration of all valid vehicle registrations set to expire between March 12, 2020 and May 18, 2020. These registrations will instead expire on June 15, 2020. They will return to their original renewal schedules in subsequent years.

**DRIVER LICENSE EXPIRATIONS EXTENDED:**

The provisions of T.C.A. §§ 55-50-336 and -337 are suspended to delay the expiration of valid Class A, B, C, D, P, and M driver licenses and Class ID photo identification licenses set to expire between March 12, 2020 and May 18, 2020. These licenses will expire 6 months from the date they are currently set to expire.

**We have clarified and confirmed the expiration dates of all valid vehicle registration quoted above. This means, all valid vehicle registrations with expiration dates in March, April and May will be extended to expire on June 15, 2020. The original expiration date will remain the same and will not reflect a June 15, 2021 expiration date. To put it simply, vehicles expiring in March, April and May will have until June 15, 2020 to renew their license plate/registration.**

Respectfully,

Lisa Duke Crowell

Rutherford County Clerk
