The screenshot shows the Cigna Healthcare website's provider search interface. At the top left is the Cigna Healthcare logo. To the right are two buttons: "Find a Doctor, Dentist, or Facility" and "Log in to myCigna". Below the logo is a navigation menu with links for "Individuals and Families", "Medicare", "Employers and Brokers", "Health Care Providers", and "About Us". The main content area displays search results for "105 In-Network results for Primary Care Provider (PCP) near Murfreesboro, TN 37130". Below this, it specifies the "Medical Plan: Open Access Plus, OA plus, Choice Fund OA Plus" and includes a "Change Plan" link. At the bottom of the results section are filters for "Sort: Best Match", "Virtual Care Services" (with an unchecked checkbox), "Specialties", and "More Options". On the right side of the interface is a map showing the search location in Murfreesboro, TN, with a text overlay that says "Move map or zoom to update search".
