

RUTHERFORD COUNTY BUILDING CODES DEPARTMENT

Creating a Sustainable Future Through Building Standards and Safety

APPLICATION FOR GAS PERMIT

For your convenience, you may fax or email this permit application ahead of time and we will do our best to have it ready for you when you come in. Or you have the option to submit your application and request that we call you for payment when the permit is ready, we will then forward you your permit copy via email. **Please note that while we are happy to provide the payment by phone option for your convenience, in order for us to be able to complete the permit accurately, this form MUST be completed in its entirety. If it is incomplete, you will not receive a call and will be required to resubmit the completed application or visit the office to obtain it.**
