¹Oshi Health GI care is in-network with your Cigna Healthcare plan. Standard copays and deductibles may apply as noted in your plan benefits. Please check your plan benefits for further details. Cigna Healthcare provides access to virtual care through participating in-network providers. Not all providers have virtual capabilities. Cigna Healthcare also provides access to virtual care through national telehealth providers as part of your plan. This service is separate from your health plan's network and all services may not be available in all areas; subject to state regulations. Referrals are not required. Video may not be available in all areas or with all providers. All health care providers are solely responsible for the treatment provided to their patients; providers are not agents of Cigna Healthcare. Refer to plan documents for complete description of virtual care services and costs.
